

# Clutch the Future 2020

Saturday, March 14

**MENTOR (def): a wise and trusted counselor; one who shares knowledge, advice, and resources to further another's life path; the person in which you can share 'the good, the bad, and the ugly' to garner true and experienced feedback and support.**

Woman to Woman Mentoring strongly believes in and has witnessed the power of mentoring for more than a decade. While sometimes easily forgotten, the importance of mentorship and its critical impact on our personal and professional life are unmeasurable. Clutch the Future is our organization's signature event solely aimed to grow and sustain a mentoring culture and passion in Frederick County. Named Best Charitable Event in Frederick, this event brings together 400+ women who lift each other up. Join us by sponsoring Clutch the Future 2020!
